

Illoura Village

Factsheet for loan-licence or loan-lease retirement village

Under the *Retirement Villages Act 1986*, all retirement villages operating in Victoria must give this factsheet to a retiree (or anyone acting on their behalf) within seven days of a request, and include it in any marketing material provided to them and intended to promote a particular village.

Make sure you read and understand each section of this document before you sign a contract to live in this village.

Consumer Affairs Victoria suggests that before you decide whether to live in a retirement village, you should:

- seek independent advice about the retirement village contract – there are different types of contract and they can be complex
- find out the financial commitments involved – in particular, you should understand and consider entry costs, ongoing charges and financial liabilities on permanent departure (covered in sections 9 and 10 of this document)
- consider what questions to ask the village manager before signing a contract
- consider whether retirement village living provides the lifestyle that is right for you.
- review the *Guide to choosing and living in a retirement village*

**The Guide and other general information about retirement living is available on Consumer Affairs Victoria's website at:
www.consumer.vic.gov.au/housing/retirement-villages**

All amounts in this factsheet are GST-inclusive, unless stated otherwise where that is permitted by law.
